1				
2				
3				
4				

**IMPORTANT** Please provide full details of your aircraft on the forms attached so that the event announcer can give attendees information about your aircraft. The information that you supply makes it much more interesting to all.

All Pilots must be **Current Affiliates** of the Model Aeronautical Association of Australia.

Entry to this event is subject to the entrant agreeing that the Pakenham and Districts Aircraft Radio Control Society Inc accepts no responsibility for damage and injury due to any actions taken by P&DARCS Members, Officials and other persons related to the event or the general public.

All aircraft must have the required valid permits available for viewing by Officials (eg Heavy Model Permit.)

By clicking here I agree to abide by the P&DARCS flying rules and to follow the directions of Officials of the event.

Signed .....  
(Only applicable when entering on the day)
