

## P&DARCS END OF YEAR CHRISTMAS FUN FLY & LUNCH, SUNDAY DECEMBER 22<sup>nd</sup>.

Dear Members,

I guess we are all well aware of just how quickly this year has marched by, and here we are in the middle of December. To celebrate the season, the club will be holding an informal fun fly and lunch on Sunday, December 22<sup>nd</sup> at the clubhouse. Flying will be in the morning, with a sausage sizzle and drinks served around 1230. Donuts and lamingtons to follow with flying to continue into the afternoon.

Bring your planes, big or small. The theme is a general fun fly and gathering of our club members and their family members. All members attending will receive a raffle ticket, to go into multiple draws for small RC accessories (servos, LiPo packs, servo leads, adhesives etc).

There will also be a free raffle draw for two major prizes, including a stunning little E-flite UMX Waco biplane BNF model, (with thanks to Mike from Model Flight). The second major prize is a model aircraft stand capable of storing multiple models (with thanks to Steve from Austars Model).

**N O T A P #2024-06**

**Issued December 2024**
