## Fellow P&DARCS Members

### IMPORTANT COVID NOTICE

Hello to all our members. I have today been advised of a recent close COVID contact at our flying field.

A contestant who attended the recent weekend round of IMAC at the club has recorded a close contact with a person who has tested positive for COVID. This contestant attended the club field from Friday, May 27<sup>th</sup> until Sunday May 29<sup>th</sup>.

As a responsible association, the club is advising everyone who attended the field during this time to be aware of the situation.

The contestant who was at the field has so far not returned a positive result and has no symptoms.

We will continue to monitor the situation and advise our members as necessary. If there are no further developments, there will be no further notices issued.

Clear skies to all.
