Fellow P&DARCS Members

A quick update and some information on the forthcoming P&DARCS AGM to be held via a Zoom Webinar on Wednesday, August 3rd at 7.30pm sharp.

Firstly, there is still time to nominate for a committee position if you wish to. Only full members are eligible for nomination.

If you wish to nominate for a position, fill out the form at <https://www.pdarcs.com.au/nomination> and have one of your fellow club members complete the nomination, then return the signed form to the Club Secretary.

Regarding the meeting itself, all members will receive an invite to the Zoom Webinar for the AGM. However, once it is time for voting to commence, only Full Members (those that hold a full share parcel) will be staying online.

Once the current members of the P&DARCS committee stand down, the AGM will then be chaired on the day by Andrew Smallridge from the DARCS Co Operative. At that point, the webmaster will take non-voting members offline. This allows the process to proceed smoothly without the need to sort members votes from those who can or cannot vote.

Full members will be asked to vote on the following positions:

1. President
2. Vice President
3. Secretary
4. Treasurer
5. Registrar
6. Ordinary Committee Member 1
7. Webmaster
8. Safety Officer
9. Social Officer
10. Facilities Manager
11. Field Manager
12. Newsletter Editor
13. Club Captain

Once the new committee is elected and ratified by the chairman, the AGM will conclude. The next meeting will be the September general club meeting. Your new committee will advise the format of that meeting in due course.

Any other questions, please feel free to contact me prior to the AGM.
