Fellow P&DARCS Members

Firstly, the annual warbird gathering for ANZAC Day will take place on Tuesday morning, April 25th. General flying will be conducted, and the club will provide a sausage sizzler for those attending.

Onto other club business and the next general meeting for P&DARCS will be at the field on Saturday, May 6th at 1pm. It is important for all members to attend this meeting as we will be setting the membership fees for the upcoming year.

The membership fees are crucial to the functioning of our club, and they help to fund the various activities and events that we organise throughout the year. The fees also help to maintain the facilities and infrastructure of the club, ensuring that we can provide a safe and enjoyable environment for all members. The MAAA will finalise their fees at the May national conference following which we will announce the total fee structure for the 2023/2024 financial year.

It is important that we have as many club members present as possible at the meeting to ensure that we can set the membership fees in a fair and democratic manner. Your attendance at the meeting is therefore crucial, and we encourage all members to make every effort to attend. Proxy voting is not permitted under our current constitution, so members must be present to speak on motions and pass their vote.

We will also be discussions a move to bi-monthly meetings and the resumption of online general meetings via ZOOM, as we did last year.

As usual, a light BBQ lunch will be provided for all in attendance. We look forward to seeing you at the meeting and thank you for your continued support of P&DARCS.

If you have any questions, please feel free to contact me anytime.

Keith Quigg | AUS 22897
P&DARCS President 2022/2023
