CLUB GENERAL MEETING VIA ZOOM, FEBRUARY 5TH 2025.

Dear Members,

I hope this note finds you all well. A quick reminder, that the first general club meeting for 2025 will be held via ZOOM on Wednesday, February 5th commencing at 7.30 pm.

The minutes from the previous December general meeting are available from the website.

An important topic of discussion will be the project that is currently in place to carry out a major refurbishment of our runways. We will be in a position shortly to present a budget to our members for approval (as it falls outside of our 2024/2025 approved budget) for this work. Our runways are the club's biggest asset, so it is important that this work is considered for commencement in the very near future.

Daniel has sent out electronic invites for the meeting and If you have not yet registered yet, please do so. If you do not have the email with the ZOOM invite, or would like some assistance in the process, please contact Daniel.

We will also touch on the ongoing improvement and maintenance work to the club which will continue throughout the first quarter of 2025.

All the best, see you at the field.

Keith Quigg | AUS 22897
P&DARCS President 2024/2025
